### AL SAAD GROUP INTRODUCTION

Founded in 1998, **AL SAAD** is a Fujairah based General Contracting and Construction Management Company. We specialize in Build Projects, Waterproofing Works, and Carpentry Works.

Our expertise spans from pre-construction services to complete turn-key construction projects.

**AL SAAD** is a diversified conglomerate of the following companies:

•	AL SAAD General Contracting	First Degree	Fujairah
•	AL SAAD General Contracting L.L.C	G+4	DUBAI
•	AL SAAD Insulation Materials L.L.C		Fujairah
•	AL SAAD Insulation Materials L.L.C		DUBAI

Within a short span of time, **AL SAAD** Group is held in esteem throughout the construction Industry in the UAE. We believe that our success lies in our commitment to understanding and meeting our client's requirements for safety, workmanship, on - time – delivery and value – for money.

With the fast changing environment and upgrading of technology, we commit ourselves to improvisation of our procedures and techniques and to continuous development. With the willingness to explore the opportunities ahead, we welcome future with confidence and high-spirited strength.

#### **VISION AND MISSION**

"To become a regional leader with diversified business to cover all aspects of building construction industry, providing value for time and money, quality products and superior services for our customers."

"Our priority is to maintain a strong foundation of trust and mutual respect generated through positive relationships with our clients, architects, engineers, sub-contractors and suppliers. The foremost goal is customer satisfaction and to be a trusted contractor with exceptional performance from every member of our company."

# CODE OF BUSINESS CONDUCT AND ETHICS

#### THE GROUP POLICY STATEMENT

Respect and trust, customer Focus, Teamwork and communication are the core values that distinguish **AL SAAD** Group as a leading construction company.

#### CORPORATE HEALTH, SAFETY AND ENVIRONMENTAL STATEMENT

**AL SAAD** is committed to the safety and health of its employees and to the preservation of the environment to people of today and future generations.

We will meet our commitment by:

- "Safety first" is our motto. With an emphasis on safety from management, AL SAAD is having a health, safety and Environment System implemented for the well-being of employees to provide a healthful and safe work environment.
- HSE System Establishment based upon the most stringent regulatory requirements and recognized best management practices.
- Regular assessment and auditing of all our operations so as to be in agreement with our policies and standards with the goal of continuous improvement and development.
- Producing products/services consistent with our environmental responsibility. Our stewardship includes careful conservation of the natural resources we use in all the areas of the company. We always look for ways to reduce

#### AL SAAD GROUP CONSTRUCTION COMPANIES

### Corporate

## **Corporate Objectives**

**AL SAAD** Group, headquartered in AL Fujairah with 4 Subsidiary Companies throughout UAE. Have enjoyed numerous recognized achievements within a short span of tome as a "Total Solution Provider" for all type of construction requirements by organizing our talents and resources into subsidiary companies specialized in various fields of construction.

The corporate aim has been consistent since the launching of the Group. The Group focuses and value reputation for integrity, technical excellence and customer satisfaction as well as professional success and development of its employees.

- ➤ The principal objective is to govern the uniform conduct, policies and procedures for the Group companies and ensure their compliance with them.
- ➤ To maintain and further enhance the quality of services, by introducing the most sophisticated technology and automated monitoring systems throughout the Group in each and every level.
- Institutionalize the corporate training programs to ensure effective development of the staff members and through orientation of new employees.
- Improvise the efforts to hire qualified and talented individuals with strong technical, management and business development credentials and vast experience to support and accelerate Group's growth.

When these objectives are combined with Group Vision and Mission, the formula for success is realized. Looking forward to the future, we strive to achieve increase in our size, capabilities and our contributions to Construction Industry.

#### AL SAAD GENERAL CONTRACTING Company L.L.C

With a successful track of nearly 21 years **AL SAAD General Contracting LLC**, specializes in all kinds of projects: steel and concrete buildings, Industrial, Commercial, Institutional and Residential Facilities

**AL SAAD** is ranked among the top contractors of the region with its substantial experience in bringing difficult Projects, to successful completion with high quality standards.

The highly qualified and experienced Management team, professional staff Members and quality workmanship with the best skilled site personal available in The regions are AL SAAD's personal vanities.

The management expertise is supported by State-of-the-art information and Technology systems that interface to provide accurate estimation, Realistic planning, efficient project management and Effective cost control. We believe that our competitive Advantage results from the mutual trust and respect that we share with our employees, clients, Consultants, suppliers and sub-contractors.
